

BaselHead-Collective Transport 2026 Application Form

Dear friends of BaselHead,

BaselHead is pleased to announce that we are offering support for clubs who organise a trailer for other clubs and teams. We call this a Collective Transport. Our aim is to improve the parking situation down town, to permit more teams to attend and to reduce our impact on the environment. Please use the attached form in order to apply for our Collective Transport financial support. Please submit your completed form – including bank account details for an international bank transfer - to the head of the Regatta Office **not later than Saturday, November 7, 2026**. An early submission of the form to raceoffice@baselhead.org is encouraged to ease planning on both your and BaselHead's side. Later applications will not be accepted. To identify other clubs, the registration list can be viewed on the website www.baselhead.org.

Your application will be checked in the Regatta Office on the day of the regatta. If all conditions are fulfilled, the respective amount will be transferred to the bank account of the rowing club within 10 days.

Conditions to receive a financial contribution for a Collective Transport:

- Boats of at least two participating clubs are transported on a trailer. (Composite crews are allocated to the club with the most participating rowers of that crew)
- The distance to Basel (one way) is considered the shortest route and is determined using Google Maps.
- Complete and timely submission of the application form latest by November 7, 2026

Best regards,

The OC BaselHead

BaselHead-Collective Transports 2026
